<p>REMARKS</p> <p>Attached is copy of a letter which I think will interest you. Prime sources on the L-55 and EPRON biz were G.M. Both are in your library, I daresay.</p> <p>The draft of the letter was approved by DR last Friday. He showed it and my copy of Trusov to Mr. [] so I assume that the PA folks will be hashing up some sort of press release. 25X1 1. [redacted] [redacted] NE Division, called
25X1A to advise that the interest in the [redacted] case is not by Senator
25X1A Gale McGee (D., Wyo.) but by the Senate Select Committee. I told
25X1A [redacted] that in this case he ought to be in touch with [redacted] IC staff.
25X1A (See Journal item #27, 12 Mar 75.)

25X1 2. [redacted] In the absence of Albert Gould, Director
of the ~~Washington Workshops~~, spoke with Florence Fields indicating that
the press of events ruled out the possibility of the Director attending
one of their sessions, but if a substitute representative from the Agency
would be acceptable, I said I was sure that the Director would be happy
to make an Agency official available to talk to this high school group.
Ultimately, she identified the 17th of June at Mt. Vernon College at 8:00 p.m.
as a slot for the Agency representative. I tentatively identified [redacted]
25X1A [redacted] OTR, as the Agency representative. [redacted] has been
25X1A alerted.

25X1 25X1A 3. [redacted] After clearance with the ADDO via [redacted] 25X1
25X1A [redacted] I met with Richard Moose, Senate Foreign Relations Committee
25X1 staff, and closed out the follow up question concerning the [redacted]
[redacted] by providing him the required information,
in classified form, for the Committee record only. Frank Kirkpatrick, State
Department, and Col. Lowenstein, DOD, were advised.

In connection with the scheduled briefing of Senator Dick Clark
(D., Iowa) early next week, Moose said he will try to get further definition
of the Senator's meaning of question number 8 concerning Lon Nol's political
development and indicated that if at all possible he plans to attend the
briefing 25X1

Mr. Larry Fagin
Assistant Director
The Poetry Project
St. Mark's Church-in-the-Bowery

Dear Mr. Fagin:

As was stated in our letter to Ms. Cheri Fein, the Agency Library is similar to other government, university, or research libraries in that it maintains a comprehensive collection of domestic and foreign books and periodicals to assist its users.

The Directory of American Poets, which is offered for public sale, was routinely selected as a normal reference item for this collection using the title, Central Intelligence Agency, as the purchaser. There is nothing sinister nor covert about this purchase order.

The Directory is just one of many reference items on our Library shelves. Titles in the collection are freely available to Agency personnel. Our letter to Ms. Fein stated that the total library collection is used to support research, training, etc. Each volume in the collection serves the purpose for which it was compiled.

Sincerely,

/s/ Angus MacLean Thuermer

Mr. Angus MacLean Theurmer
Assistant to the Director
CIA
Washington, D.C.

March 5, 1975

Dear Mr. Thuermer:

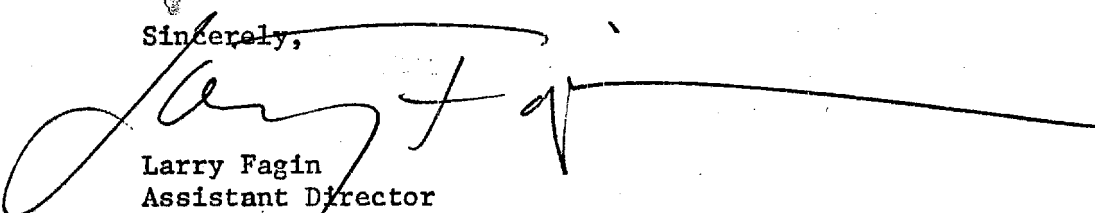

I understand that the CIA has ordered A Directory of American Poets (published by Poets and Writers in New York City) for use in the Agency's library collection by "reference librarians and Agency employees to support Agency research, to respond to Agency management inquiries for information on visitors or for answering correspondence, and to support personal training of employees."

As a poet listed in the Directory and an administrator in close contact with many writers listed therein, I would like to know exactly how a list of names and addresses of creative writers would support "Agency research" and what that research might be.

This response was prompted by many inquiries made to me by poets in the Directory.

Hope to hear from you soon on this matter.

Sincerely,

Larry Fagin
Assistant Director
